There is a very important member of our Pope John community, who for four years has shared our joys as well as our sorrows, our victories along with our defeats. She has guided, loved and respected us as we have respected her. Sr. Ursula's entering into the Pope John family along with us has established a bond that has not since been broken. It is for this reason that we, "her class," do respectfully dedicate this yearbook to Sr. Ursula, our Principal.

The Pope John football team had a lot of weight on their shoulders coming into the 1974 season. Our coaches sat down and put a team together that started in September of '74 to keep the Catholic Central League Championship title intact, since there were only 4 starters back from last year.

We faced the challenge together and knew it to be a difficult one. At the end of the season we were still Champs, and proud to get P.J.H.'s name on the trophy for the second time the first team in the league to do so.

After the cold night at M.C. some players wished to forget the season. Some players chose to keep every game clear in their minds; these players were the seniors who played their final game together. We will all head our different ways in June, and probably never play together again. We all leave with the same thought - wouldn't it be great to go through it again, together!

Cheerleading is: being embarrassed to death because the other team's cheerleaders went to the same camp and do all your cheers before you do. sparkling so hard that by the end of the season you have droopy eyeballs. staying after school to make signs that Jack the Ripper will tear down. practicing every day for the B.C. competition, hoping you'll come home winners. being proud of your team whether they win or lose because you know you're a part of them. learning to get along, help, and care about each other. being lucky enough to have a dedicated and helpful advisor, Mrs. Carroll. respecting your school. a lot of fun and hard work.

Girls Basketball League Champions

Undefeated

And what a season the girls had! The girls became the League Champions with an 11-0 record. High scorers for the season were Jean Colarusso, 157 pts., and co-capt. Cheryl Power, 96 pts. This is the first girl's championship in P.J. history. We know that P.J. girls will have many more.

Remember rollicking to the Navy Band? Remember toe tapping to "The King and I"? All this and more was courteously brought to you by Sister Pauline. We would like to take this small space to thank you for your devoted efforts. We are very grateful for the fun you've brought us. Thanks for the memories.

DRAMA

Well, after a long time in the making, this yearbook is finally here. All the long hours, the work and the aggravation have finally paid off. We made this book in hopes of bringing a smile to your lips and a memory to your heart. We don't expect to please everyone, but if you find one single thing that makes the past seem very alive, then our goal is fulfilled. If you don't find that one moment, we hope you will be encouraged to find your own.

In closing, the staff would like to thank certain people. First, we'd like to thank our advisor, Mrs. Demsey. She gave more than just time and hard work; she gave us the strength to see this yearbook through. Second, we'd like to thank the Mothers' and Fathers' Clubs of Pope John on behalf of all the students who have enjoyed the benefits of their devoted labor. Finally, we'd like to thank you, the one person who makes the memory so sweet.
